

*internet
freedom
at risk*

Today, the FCC's repeal order was published in the Federal Register. This is a big milestone in the battle over Net Neutrality as it officially triggered litigation and congressional review efforts. Vimeo led the charge to fight repeal of the 2015 Open Internet rules by filing a petition for review first thing this morning. We invite you to read the petition that we filed (it's attached as an asset below).

About Vimeo

Vimeo is the world's leading all-in-one video software solution. Our platform enables any professional, team, and organization to unlock the power of video to create, collaborate and communicate. We proudly serve our growing community of over 200 million users — from creatives to entrepreneurs to the world's largest companies. Learn more at www.vimeo.com.
