**Explanation of Responses:**
1. The market-based restricted stock units ("RSUs") subject to this award vest in tranches over three years. The number of RSUs earned is subject to upward or downward adjustment from 0% to 200% of the 500,000 RSUs reported in this Report, or the "base number of RSUs," based on (i) for the first three tranches, the "payout factor," calculated as the volume-weighted average of the closing price of the Company’s common stock for the twenty (20) trading days immediately preceding the applicable vesting date divided by (b) $4.00 and (ii) for the true-up tranche, if the payout factor for the third tranche exceeds the payout factor for the first or second tranches, (a) the vested RSUs for each applicable tranche, recalculated using the payout factor for the third tranche, less (b) the previously-vested RSUs for the applicable tranche.
2. The first three tranches, of 166,667, 166,667 and 166,666 RSUs, respectively, vest annually, beginning on March 1, 2024, and the final, "true-up tranche" vests along with the third tranche on March 1, 2026.

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.

* If the form is filed by more than one reporting person, see Instruction 4 (b)(v).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Persons who respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB Number.
